STAGE 1

TAEPPD401 Work effectively in the VET sector

This new **CORE** unit will be achieved via gap training, coaching, and mentoring on a one-on-one basis (either face to face or via TEAMS or WEBEX) and by completing knowledge questions supported by your trainer.

STAGE 2

We aim to make this transition process as stress free as possible by grouping the remaining required units together and with the support and guidance of your trainer (one-on-one – NOT ONLINE) you will be taken through a simple pathway to achieve your TAE40122. This is done by accessing the gaps for the non-equivalent units.

7 Transition Units covered are: (Core units are in **RED**)

TAEASS413 Participate in Assessment validation

TAEDES411 Use nationally recognised training products to meet vocational training needs

TAEDES412 Design and develop plans for vocational training

TAEDEL411 Facilitate vocational training

TAEASS512 Design and develop assessment tools

TAELLN421 Integrate core skills support into training and assessment

TAEASS412 Access competence
